

JOB DESCRIPTION

Title: Operations and Maintenance Technician

Zia Natural Gas Company is a local natural gas distribution company (gas utility). Zia currently serves approximately 39,000 customers in the state of New Mexico primarily in Colfax, Dona Ana, Lea, and Lincoln. Zia Natural Gas Company offers medical and dental insurance, profit sharing, and 401(k) savings plans. Zia is an Equal Opportunity Employer.

An Operations and Maintenance Technician for Zia Natural Gas Company will be responsible for the following duties:

- Service Calls
- Emergency Response
 - Leak Calls
 - Hit Lines or Meters
 - Other Abnormal Operating Conditions
- Line Locates
- Patrols, Surveys
- Cathodic Protection
- Atmospheric Corrosion Protection
- Maintain field facilities
- Meter Reading and Meter Maintenance
- Maintenance/Construction of gas pipe facilities
- Variety of other operations and maintenance related tasks as requested.

Qualified candidates should have a H.S. Diploma or GED. Mechanical, plumbing, construction, or maintenance skills are preferred. Additional consideration may be given to applicants with backhoe, excavation, pipelining, or welding experience or candidates who have a CDL. Bilingual English/Spanish skills are beneficial but not required.

Due to federal regulations, Zia's vehicle insurance requirements, and nature of job description, a criminal background check, pre-employment drug screening, and driving record check are required.

Please return the attached Employment Application AND the PHMSA Release of Information Form to the local Zia Natural Gas Company office or email to humanresources@zngc.com.
