Zia Natural Gas Company wants to encourage you to have your furnace inspected or “tuned up.” This gives a professional an opportunity to check 16 specific points for possible issues and correct them to have your furnace running in top shape, helping to conserve energy. To receive your $25 rebate: Simply have a licensed contractor complete and sign this form, then submit it along with a copy of contractor invoice and completed Rebate Application.

Please specify inspections performed and any corrective actions or adjustments made.
