

Following Space heating, water heating accounts for the second largest proportion of natural gas consumption in residential applications. High efficiency water heaters have improved technology resulting in lower energy usage while improving comfort and functionality. Another great way to conserve energy is by reducing overall water usage.

Zia Natural Gas Company offers incentives to save energy, water, and money with water heating. Rebate application and additional information are provided below.

## Incentives Available:

-  Water Conservation Package containing a free low flow shower head and two faucet aerators, One per customer
-  \$75 rebate for upgrading natural gas water heater to a natural gas water heater with an energy factor of 0.67 or higher
-  \$150 rebate for upgrading natural gas water heater to a tank less natural gas water heater
-  \$150 rebate for upgrading natural gas water heater to a natural gas condensing storage tank water heater
-  \$350 rebate for upgrading electric water heater to a natural gas water heater with an energy factor of 0.67 or higher

## Eligibility:

-  To qualify you must be a current or prospective customer who receives natural gas service from Zia Natural Gas Company, as proven by customer account number.
-  You are responsible for the full cost and installation of the natural gas water heating system.
-  Water heater or package must be purchased and installed, or serviced between January 1, 2017 and December 31, 2017.
-  Rebates are subject to program funds and processed on first-come, first-served basis.
-  Zia Natural Gas Company reserves the right to inspect completed installations to verify compliance with the Energy Efficiency Program.

## How to Participate:

1. Contact a New Mexico-licensed contractor to install your new water heating equipment.
2. Review program eligibility and requirements with your contractor.
3. Have contractor install the new equipment.
4. Submit your completed Rebate Application, Certificate of Product rating, along with a copy of your equipment receipt and contractor invoice to your local Zia Natural Gas Company office, or by mail to:
